

Formentera Council president Jaume Ferrer has signed partnerships with four seniors and retirees associations on the island. Under the 12-month deals, the Council will give €24,000 towards maintaining the centres and ongoing services, creating and running projects for the elderly, developing intergenerational workshops and other programmes of interest to the aged in 2017.

Ferrer sat down with Margarita Sanchís, chair of the Sant Francesc retirees and pensioners club, to sign a deal for €9K. He also formalised a €6.5K agreement with the head of Sant Ferran's social centre/seniors club, Rita Costa, and signed €4.5K and €4K deals with the pensioners' and elderly groups of la Savina and el Pilar de la Mola. Those clubs' respective chairpersons, Maria Costa and Jaume Escandell, were also present for the signing.
