

The Office of Tourism of the Consell de Formentera is pleased to announce the return of Gastronomic Weekends. 28-30 April to 1 May, and 5-7 May, four local restaurants will offer gastronomic lunch and dinner specials for a fixed price of €25, drinks not included.

The specials are designed for the occasion, with some restaurants serving up classic local fare and others opting for a fresh spin on old favourites. All offer a creative take on affordably priced signature cuisine.

Details are available on the Office of Tourism website, [here](#).
