

The Office of Heritage of the Consell de Formentera is pleased to report that it has programmed a workshop on the traditional technique to work crushed esparto grass. This four-session workshop will be held at Molí Vell de la Mola. The first session will start at 10.00am, 25 March, with subsequent sessions 15, 22 and 29 April. Places are limited and registration, which is free of charge, can be completed by emailing coneixpatrimoni@conselldeformentera.cat.

Registered participants will receive a confirmation email with complete information regarding the workshop.
